

To Whom It May Concern:

The Eyes In The Woods Association, Inc. is a non-profit charitable organization that is dedicated to the conservation, protection, and the perpetuation of our natural resources. We are an all-volunteer organization that works directly with the Washington Department of Fish and Wildlife and other private landowners. We are currently working on a project that may be of value to your company.

The project is placing signs (12"x18") approximately every 1/4 of a mile around selected Game Management Units (GMU): GMUs are hunting boundaries as described by the WDFW in their hunting pamphlet. The reason the WDFW wants the signs put up along the GMUs boundaries is that the written description seems to be confusing to many of the hunters and they find themselves in closed hunting areas. All signs are clearly marked with GPS waypoints clearly defining longitude and latitude, a great benefit next to your logo.

This is where you company comes into the picture. We would like to offer you a unique advertising opportunity. There are approximately three hundred thousand hunters in the state of Washington and each of them scouts and hunts the GMUs every year, not to mention the timber workers who would see it daily as well as recreational users, environmentalists, state, and federal employees. We are offering to place your logo with your company name on any number of signs that we install along the boundary roads and highways that you wish to sponsor. The planned duration for the first phase of project is three years, what this means for you is that a one time advertisement cost will place your company's name in front of thousands of hunters with a sign life expectancy of approximately three to five years at no additional cost. The cost for each of the signs is 10 dollars per sign with a fifty sign minimum. We would be very interested in presenting this program to the decision maker within your company at your request. Please call (360) 871-8400 with any questions.

When you have made the decision to sponsor this project please enter your company information on the form below and the agreement on the back, and mail with your remittance to: Eyes In The Woods Association, Inc.

Thank you for your support.
